PRESS RELEASE

May 20th, 2019

Effective today Monday May 20th at 11:30 am, Orleans County Legislature Chairman Lynne M. Johnson, has declared a State of Emergency for Orleans County due to preparedness measures being taken in anticipation of the Lake Ontario water level continually rising in late spring and becoming a long term hazard.

Presently the water level continues to rise and there has been minimal flooding impacting low lying areas based on wind direction and water levels.

There is presently no immediate public safety threat, the situation will continually be monitored and orders will be executed based on circumstances at the time of concern. This situation could potentially threaten public safety.

STATE OF EMERGENCY DECLARATION

A State of Emergency is hereby declared in Town of Carlton effective at
11am May 20, 2019.

This State of Emergency has been declared due to preparedness measures being taken in anticipation of the Lake Ontario water level continually rising into late spring and becoming a long term hazard. Presently the water level continues to rise and there has been minimal flooding impacting low lying areas based on the wind direction and water levels. There is presently no immediate public safety threat, the situation will continually be monitored and orders will be executed based on the circumstances at the time of concern. There is a finding that although not an immediate public threat, public safety is imperiled thereby.

This situation could potentially threaten the public safety.

This State of Emergency will remain in effect until rescinded by a subsequent order.

As the Supervisor of the Town of Carlton

I, Gayle Ashbery, Supervisor, exercise the authority given to me under Section 24 of New York State Executive Law, to preserve the public safety and hereby render all required and available assistance vital to the security, well-being, and health of the citizens of this Municipality. I hereby direct all departments and agencies of the Town of Carlton to take whatever steps necessary to protect life and property, public infrastructure, and provide such emergency assistance deemed necessary.
